

NEHTA

NEW ENGLAND HOSPITAL TRANSPORT ASSOCIATION
“Chart Your Course For Success”

*Innovative Strategies to Minimize Delays, Maximize Productivity in
This World of Shrinking FTEs*

NEHTA, the New England Hospital Transport Association, announces the first in a series of meetings that will be designed to develop best practice, as well as benchmarks for hospital-based Patient Transportation in New England Hospitals.

The outcome of this first meeting will address delays inherent in patient transportation, define best practice strategies to overcome these delays and define benchmarks to track success once strategies are implemented.
